Our Team

Resident Assistant (RA) UNDERGRADUATE STAFF

Student who lives in a residence hall and serves as a mentor and information resource for students. These students also serve in an on call structure in the building to ensure the safety of the residents in the building.

Coordinator FULLTIME STAFF

A full-time student affairs professional who serves as the supervisor of a residential community (2-3 halls) on campus.

Residence Director (RD) GRADUATE AND FULLTIME STAFF

An administrative official who manages one residence hall while overseeing its community of residents and Residence Life initiatives.

Maintenance, Support Services and Housekeepig

Teams who work diligently to keep facilities clean and in optimal operational shape.

Our online Linktree is equipped with most every resource offered in this booklet and more. The Linktree has information on bed bunking, Directions to many campus locations as well as websites and other helpful links. If you do not have a smartphone you can utilize the link above on any device connected to internet to access these useful links.

Sustainability at Appalachian State

We are excited to welcome you to **Appalachian State University**! We love the beautiful Blue Ridge mountains we call home, and thrive on the sense of place one develops while living here. Please join us as we work collectively to create a more sustainable campus and community. We're all in this together, and it takes everyone being a part of these efforts to create lasting change.

When moving to campus, please be sure to keep sustainability in mind! Packing light is key, especially if you need to relocate or move away from campus early in order to ensure the health and safety of our community.

CONSIDER BEFORE MOVING TO CAMPUS

- Travel light- only bring what you need and try to minimize your stuff
- Pack in reusable containers rather than cardboard boxes- these will also come in handy when you need to pack up as well
- Be in contact with your roommate so you can share some of your resources instead of doubling up!- cleaning supplies, brooms, vacuums, area rugs, etc...
- Bring items from home and shop at thrift stores instead of buying new
- Hold off on big purchases until later in the year
- Develop a plan to sell or donate items at the end of the year rather than throwing away

LIVE SUSTAINABLY

- Minimize what you bring to campus- pack light
- Grow container plants for improved indoor air quality
- Bring your bike for a form of low carbon and physical distancing transportation
- Purchase eco friendly, sustainable options when you must buy something
- Bring your own reusable water bottle, cup, mug, straw, cloth napkin, and utensil set
- Bring your own reusable containers rather than ziploc bags
- Plan to use reusable linens such as towels and washcloths instead of disposables
- Save energy by using smart power strips
- Purchase energy efficient appliances and LED bulbs
- Go digital for all your organizing needs such as calendars and planning
- Choose plant based vegetarian or vegan options, which are low carbon healthy choices
dining.appstate.edu/dining/dining-facilities-menus/terra-verde
- Support local and choose some of the many local food options in our Campus Dining venues
dining.appstate.edu/sustainability

GET INVOLVED

- Green Appal Certification
sustain.appstate.edu/initiatives/residence-hall-certification/
- Eco-Reps Program
sustain.appstate.edu/get-involved/eco-reps/
- Volunteer and Service Opportunities
sustain.appstate.edu/get-involved/volunteers/
- Sustainable Clubs and Organizations
sustain.appstate.edu/get-involved/clubs/
- Don't Throw it Away and Big Sale
act.appstate.edu/dont-throw-it-away

THINK ZERO WASTE

- Recycling and composting services are available at each residence hall
sustain.appstate.edu/initiatives/zerowaste/recycle-guide/
- Recycling collection totes are provided in each room
- Be sure to bring a small container for compost- reused protein shake or yogurt tubs work well
sustain.appstate.edu/initiatives/zerowaste/composting/residence-hall/

Assigned residence hall move-in days and times

Fall 2022 Move-In is planned for Tuesday, August 16, through Thursday, August 18. Most new, incoming first year and transfer students will be assigned a move-in time based on their 2022-2023 residence hall assignment. University Housing is unable to accommodate requests for early arrivals.

Please note that all students will only have 20 minutes to unload their belongings from their vehicles. After 20 minutes, students and/or families are expected to move their vehicles to satellite parking so others can pull up to the hall to unload. They may return to the building to continue unpacking their rooms.

Approved groups may move in beginning August 15 for additional orientation and training. These groups are listed on our website.

All other students should arrive during their assigned building move-in day and time.

What happens if I arrive outside of my assigned move-in time?

Staff and resources will be concentrated to areas where move-in is scheduled each day. If students and families arrive outside of their assigned move-in time, there will not be staff or volunteers on hand to help them move in, find parking, or generally assist with any other needs. Therefore, we ask that students and families please make the necessary arrangements to move in during their assigned day and time.

Residence Hall	Assignment	Assigned Move-In Date	Assigned Move-In Time
<i>Appalachian Heights</i>	All Floors	August 20-21	Anytime
<i>Belk Hall</i>	All Floors	August 16	8am - 12pm
<i>Cannon Hall</i>	Floors 2, 4, 6, and 8 Floors 1, 3, 5, and 7	August 18 August 18	8am - 12pm 1pm - 4pm
<i>Cone Hall</i>	Floors 2, 4, 6, and 8 Floors 1, 3, 5, and 7	August 18 August 18	8am - 12pm 1pm - 4pm
<i>Dogwood Hall</i>	Floors 2, 4, 6, and 8 Floors 1, 3, 5, and 7	August 16 August 16	8am - 12pm 1pm - 4pm
<i>Doughton Hall</i>	Floors 2, 4, 6, and 8 Floors 1, 3, 5, and 7	August 17 August 17	8am - 12pm 1pm - 4pm
<i>Elkstone Hall</i>	Floors 2, 4, 6, and 8 Floors 1, 3, 5, and 7	August 18 August 18	8am - 12pm 1pm - 4pm

Where to go upon arrival

When families arrive for move-in, there are a multitude of highly visible yellow/black signs posted along the roadways. The signs come in two varieties, one being for **WEST CAMPUS** and the other for **EAST CAMPUS**. Families may also use this interactive campus map to navigate campus.

The West Campus signs provide directions to Rivers Street. From there, additional signs are in place to divide traffic appropriately.

Specifically:

Appalachian Heights, Mountaineer and LLC traffic continues to Bodenheimer Drive and continues to that building.

Belk, Frank, Laurel Creek, New River, Newland, Raven Rocks and Thunder Hill traffic turns onto Stadium Drive and checks in at the New River Hall parking lot before being directed to that building.

West Campus

Residence halls:

- Appalachian Heights
- Belk
- Frank
- Laurel Creek
- Living Learning Center (LLC)
- Mountaineer
- New River
- Newland
- Raven Rocks
- Thunder Hill

East Campus

The East Campus signs provide directions to Hardin Street. From there, additional signs are in place to divide traffic appropriately.

Residence Halls:

- Cannon
- Cone
- Dogwood
- Doughton
- Elkstone
- Mountain Laurel
- Summit
- White

Specifically:

Mountain Laurel Hall should drive directly to that building.

Cone, Elkstone and White Hall traffic is turned onto Locust Street.

Cannon, Dogwood and Doughton Hall traffic is directed to the Legends parking lot.

Parking after Move-in

The driver of the vehicle is directed upon entering the appropriate area for unloading. Upon completing the unloading process, vehicles on **WEST CAMPUS** will be directed to the Greenwood, Peacock, or South parking lots. Vehicles on **EAST CAMPUS** will be directed to the Convocation, Hill Street, or State Farm parking lots. Please see the campus parking map for further information. To do so, open the link and check Fall Move-In, which is located under the Locations tab on the left side of the screen.

Construction on the STADIUM SIDE OF CAMPUS requires vehicles to exit (after unloading) at the Schaffer Center parking lot. At the light, they will either go straight into the **Peacock parking lot** OR turn left onto Rivers Street and stay in the left-hand lane. At Bodenheimer Drive, vehicles will turn left and follow it to the **Greenwood parking lot** (just past the Appalachian House).

Vehicles on EAST CAMPUS will exit unloading zones using Hardin Street and proceed straight down Blowing Rock Road (US Route 321) to Faculty Street. They will turn right on Faculty Street and proceed behind the Holmes Convocation Center on Holmes Drive. At Hill Street, turn left and enter the **Convocation parking lot** immediately on the left or continue straight to the **Hill Steet parking lot**. The entrance to the lot is about 750 feet ahead on the right.

If these lots are full, vehicles may use the **South parking lot**, which is located on Bodenheimer Drive beside the baseball fields. For this lot, vehicles will exit unloading zones using the Schaffer Center parking lot and turn left onto Rivers Street (stay in the left-hand lane). At Bodenheimer Drive, vehicles will turn left and follow it to the South parking lot.

If these lots are full, vehicles on EAST CAMPUS may use the **State Farm parking lot**, which is located at Dale Street. For this lot, vehicles will exit unloading zones using Hardin Street and proceed straight down Blowing Rock Road (US Route 321) to U.S. 221 North Highway. Turn left at U.S. 221 North Highway and turn right at the light onto State Farm Road. From State Farm Road, turn left onto Dale Steet, which is approximately 0.9 miles down State Farm.

FAQS

Will refreshments be provided?

University Housing does not provide water and snacks. We encourage you to bring your own water bottle. Refill stations will be available in some of the residence halls.

Do the halls have elevators?

All of the residence halls have elevators.

How should I pack my things?

- Consider bringing a dolly or handcart to make moving in easier.
 - Clearly label your belongings with your full name, residence hall, and room number. Include labels on everything and make them easily visible.
 - Pack everything in a box, suitcase, or storage bin. Loose items are more likely to get lost and create more trips back and forth. In the event of inclement weather your belongings will be much safer.
 - In a lot of cases, you will be using stairs and not elevators to move your belongings, so consider the weight of all boxes.
 - Make sure that you have talked with your roommate to try and avoid bringing two of the same thing.
 - Be informed! Make sure that you review the list of approved/prohibited items and know what is and is not allowed in your room.
-

Will there be volunteers to help with my move-in?

Faculty, staff, and students will be on hand to assist students and their families during move-in and to navigate traffic and unloading zones. Since unloading zones are only for 20-minute drop off, visiting drivers are asked to stay with their vehicle during the drop-off process. Once a vehicle has been emptied, drivers are directed to satellite parking to remove the car from the main campus.

It is important to label EVERY box, bag, and loose item with the student's name, room number, and residence hall as you may not be carrying everything that belongs to you to your room.

FAQS (cont.)

Who can be present during Move-In?

There are currently no limits on the number of people who can accompany students for move-in. However, we recommend limiting the number to four guests as there is limited space in the residence hall rooms and limited parking for multiple vehicles.

What will happen at check-in?

When you check in, you will be required to present two items:

- QR Code (included in your room assignment notice)
- Your photo ID

Once checked in, you will receive your room key.

Where do I get my AppCard?

All students will get their AppCard during Orientation. If you are attending a late Orientation, you will get your AppCard when you check into your residence hall. Your AppCard serves as your key to enter your residence hall and it is also what you use to pay for your meals on campus. Please note, residence halls will lock after 5 PM during move-in days so residents will need their AppCard to access their building after 5 PM on these days.

After Aug. 18, visit the Campus Services Express desk , located on the second floor of the University Bookstore during regular business hours with all AppCard questions.

What will first-year students do between moving in and the start of classes?

All first-year students will participate in the “Welcome to App!” Program after their assigned move-in time. “Welcome to App!” is a continuation of new student orientation and all first-year students are expected to attend. During “Welcome to App!” you will create connections with peers, find useful resources, and develop the capacity to succeed at Appalachian State. You will also receive a copy of the common reading book, and advising planner, and your “A” first-year lapel pin.

Students should receive an email with details on when and where to meet your AppolCorps Leader. A full calendar of events can be found on the “Welcome to App!” website.
